HIGH-VIS
GROUP:

Logo

Print on the product is not possible, embroidery is recommended. The product is certified with maximum 0,1800m² logo area. This approved area must not be exceeded. Logo on, respectively, front or back of the product can constitute only a maximum of 50% of the total approved logo area in order to maintain the EN ISO 20471-certification. Note: The listed area is only a guide to how much space is available for logo placement. In order to maintain the product's hi-vis class according to EN ISO 20471, the instructions on logo size must be observed.

Logo placement:

- Workwear logo. Special placement. Contact to discuss further

- Front zipper hidden behind fabric prevents ingress of dirt and dust.
- Chest pocket with vertical zip and easy access - suitable for mobile phone.
- Extra protection against the cold with an extended back
- Elastic at the cuffs.
- Additional safety with vertical reflective strips that connect with the horizontal reflectors.
